## VOICE MAIL

To access your voicemail please dial 5000 from your handset  
Enter PIN number when prompted (if no pin number has been set try 1111) - Follow voice prompts to access messages.

## NIGHT SERVICE

From 10.45pm to 7am the phones will be switched to Night Service  
This means that any pagers switched ON will go off with any internal or external calls coming in  
The pager will display "Internal Call" or "External Call" - To pick up these calls lift the handset of any phone and DIAL 5555

## RESORT LIFT TO PAGER

The pager will display "Resort Lift"  
To pick up call or acknowledge alarm, lift the handset of any phone and DIAL 5566 , You are now able to speak to lift occupants (if this does not work dial ext 303346 no 9 required and this will also put you through.

## BABY LISTENING

The telephone handsets in each bedroom can be used a baby monitor  
To set the monitor in a room, lift the handset and DIAL \* 85 and then place handset near child  
This opens the line so guest can listen-in from any other handset in Auchrannie  
To listen, lift the handset of any other phone and DIAL \* 86 followed by room ext number  
eg Hotel Room 26 = \*862226 or Spa Room 203 = \*861203
